I am an artist, musician, and poet. Even as a child, the wondrous beauty and magic of our planet have always been obvious to me, and I was lucky enough to never take it for granted. I see portals to lovely places in the shadows, peace and bliss in the colors. It is through art that I express my joy and delight in life. Everything you see is my own work. ### **ABOUT THIS ARTWORK: CONVERSATION AT DUSK**

This is a digital painting of the silhouettes of the almost bare branches of a tree in the brilliant oranges, yellows, and purples of a late afternoon in autumn. A Faerie, with wild dark hair and a purple dress, sits on a limb of this tree and chats with a purple bird who has come to visit her. Scattered among the branches are the silhouettes of smaller birds who are just enjoying the evening.

This artwork can be shipped **worldwide** when ordered on Canvas & Poster Roll

Any other format including, Stretched Canvas, Acrylic etc, ships only in Continental USA & Canada (Free shipping)
